

Action Required

As we approach the end of the school year, communication with our families is more important than ever. This message is intended to inform you that our school will be using SchoolMessenger to distribute important information directly to families electronically, including your child's report card.

To do this effectively, efficiently and securely, it is important that we have the most current contact information on file, including updated email and telephone numbers. Families are asked to contact our school directly if information needs to be updated. If you have already updated the information through your child's classroom teacher – thank you.

If you have any questions or need to update your contact information, please feel free to contact us at 705-728-1302. Thank you in advance for your timely action to this request.

September Back to School Forms

The 2020-21 Standard Acknowledgment and Permission Form and Student Information Computing Technology Appropriate Use Agreement are required forms for all Simcoe County District School Board (SCDSB) students. These forms will now be sent electronically through School Cash Online. School Cash Online is our preferred method for forms. Thank you for your support as our Board moves to this online system. In preparation for the 2020-21 school year, you can register your child now (if you have not already done so).

If you have not previously registered, follow these steps:

1. Call the school office and leave a message requesting your child's student ID #, which will be emailed to you.
2. Go to simcoecounty.schoolcashionline.com or from our school website click on "Pay Fees"
3. Register and add your child to the newly created account

The School Cash Parent Helpdesk is available 24/7 to help you with registration, password recoveries or any other payment issues. Call the helpdesk at 1-866-961-1803 or email parenthelp@schoolcashionline.com.

Library Books

Does your child have library books at home that need to be returned? Please call the school 705-728-1302 to arrange a drop off time and date before June 26. Thank you.

Student Belongings

If you have not picked up your child's belongings, call the school to arrange a pick up time and date.

Are you moving over the summer?

To assist us with planning our classes for next year, it is very helpful if we receive information about anticipated family moves. Please call the school office and leave a message or send a note in with your child to the office. Thank you.
